

## Fence Mural Specifications

Fence Murals are full color digital prints on Ultraflex Plus 8 oz vinyl coated mesh. For vibrant color the Ultraflex mesh is printed with OEM solvent inks that have extreme scratch, alcohol, water and UV resistance in addition to 3 years of outdoor durability. All four edges of each Fence Mural are finished with a 3-ply hem reinforced with webbing and then double stitched. The edges are then grommeted with #2 brass grommets on 12" centers.

## UltraFlex 8 oz. Mesh Specifications

Weight:	8 oz/yd <sup>2</sup>
