Our best selling privacy screen. Constructed with high density polyethylene for excellent outdoor longevity. It is also knitted, so if the material is cut or torn it will not unravel. Available in 3 different finishing options:

- **150' Rolls** – Extra polyethylene yarn is knitted into the top and bottom edges so PrivaScreen90 is ready to install right off the roll.

- **150' Plus Rolls** – Top and bottom edges are sewn with a double-stitch 3-ply hem and grommets every 12". The ends can be cut on site and folded over for reinforcement.

- **Custom** – All edges are sewn with a double- stitch, 3-ply hem and grommets every 12". Panels are custom cut to your specifications.

Grommet Strip: **Standard on Hts Over 8'** #2 brass grommets every 24"
