I

PRIVASCREEN 90

Our best-selling privacy screen, because it's long lasting, good looking, and stays that way.

No one beats our lead time on custom panels. Little details make a big difference: we use the industry's heaviest border webbing to prevent fraying, and grommets every 12 inches to keep the screen on the fence.

150' Rolls and 50' panels available

3'8" (for 4' chain link)

5'8" (for 6' chain link)

7'8" (for 8' chain link)

Custom heights available

Colors: Green, Black, Royal Blue, Red, Navy Blue, Brown, Tan, White, Grey

PRIVACY PLUS

The absolute best choice for privacy. No woven material can beat this product for tough, proven durability.

Little details make a big difference: we use the industry's heaviest border webbing to prevent fraying, and grommets every 12 inches to keep the screen on the fence.

5'8" (for 6' chain link)

7'8" (for 8' chain link)

Colors: Green and Black

DIRECT BOND LOGOS

One, two or three color logos imprinted directly onto any of our windscreen materials. We use the highest quality inks specially designed for outdoor applications to form a durable bond for an attractive and long-lasting logo.

Inks: Aggressive inks with a more than 5-year outdoor durability, custom colors and metallic colors available

STITCH-ON LOGOS

Full color logos digitally printed on our 9 oz. mesh, then cut out and lock-stitched onto any of our windscreens. An excellent and economical way to add multiple full color logos to your job site.

Optional ToughCoat UV Protectant available.

STITCH-ON LOGOS

The vision of what you're building is impressive. Getting there can be messy.

We can help you look good from ground breaking to completion. And promote your good name at the same time.

With your logo on privacy screens surrounding your site, you can add identity, security and even beauty to the construction process.

Ball Fabrics offers the finest quality, made in the USA windscreens and privacy screens to help you keep your name out front. Our best work has your name written all over it.

Ball Fabrics fence screens, logos and banners will:

- Beautify your construction site
- Promote your project
- Enhance security

IDENTITY, SECURITY AND BEAUTY

**WHILE YOU'RE BUILDING YOUR NEXT MASTERPIECE,
WE'RE HELPING BUILD YOUR REPUTATION.**
